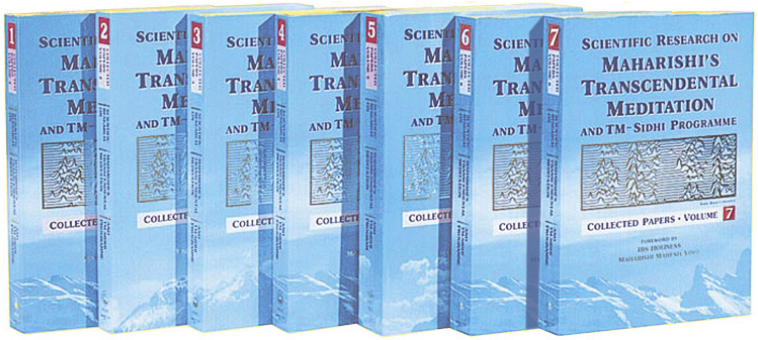
Programs to Bring Life into Harmony with Natural Law and Raise Every Nation to Invincibility

DEPARTMENT OF SCIENCE AND TECHNOLOGY

Providing a mistake-free path for reliable achievements—
putting the ambitious aspirations of everyone and every nation
on the royal road to success

SCIENTIFIC RESEARCH FINDINGS

Verifying that the highest goals of
the Department of Science and Technology can be
achieved fully and practically by applying the
programs of Maharishi's Vedic Science



More than 600 scientific research studies, conducted at over
250 universities and research institutes in 33 countries,
confirm the benefits of Maharishi's Transcendental Meditation
and TM-Sidhi program for every area of life. These studies
have been reprinted from the scientific journals
in 7 volumes of Collected Papers.

Department of Science and Technology

Providing a mistake-free path for reliable achievements—
putting the ambitious aspirations of everyone and every nation
on the royal road to success

The ability to fulfill the aspirations of everyone and every nation is reflected in the activity of each of the other 11 Departments of the Global Country of World Peace. The validation of the success of each Department through the published scientific research on the technologies of Maharishi's Vedic Science, including the Transcendental Meditation and TM-Sidhi program with Yogic Flying, is outlined in the documents, parallel to this document, for each Department of the Global Country of World Peace. In order to summarize each of these documents, the outline of the headings of each of these documents is listed below. These headings give the categories under which specific research findings are listed, with the findings listed in the complete research document for each Ministry.

Taken together, the research findings listed for all the Departments of the Global Country of World Peace include findings from the full range of research.

The development of individual and collective consciousness through the Transcendental Meditation and TM-Sidhi program raises individual life to enlightenment and raises the nation to the level of invincibility, characterized by happiness, health, progress, prosperity, and peace.
